NOTICE OF HEARING
January 6, 2016
2360 Rayburn House Office Building

TO: Members, Committee on Small Business

FROM: Steve Chabot, Chairman

DATE: December 22, 2015

The Committee on Small Business will meet for a hearing titled, "*Attention Needed: Mismanagement at the SBA – The GAO Findings.*" **The hearing is scheduled to begin at 11 A.M. on January 6, 2016, in Room 2360 of the Rayburn House Office Building.**

The United States Government Accountability Office (GAO) recently released a report about the operation of the Small Business Administration (SBA). Unlike other GAO examinations of the SBA, this investigation did not focus on a particular program; rather, it assessed the overall management and structure of the SBA to determine whether the agency, as currently constituted, was able to meet the mission of providing financial and technical assistance to America's small businesses. GAO found numerous deficiencies in SBA management. The hearing will provide the opportunity for members to examine the GAO findings in greater detail.

A staff briefing will be held at 2:00 P.M. on Monday, January 4, 2016 in Room 2360 of the Rayburn House Office Building.
