The Committee on Small Business will meet for a hearing titled, “SBA Management and Performance Challenges: The Inspector General’s Perspective.” **The hearing is scheduled to begin at 11 A.M. on Wednesday, February 24, 2016, in Room 2360 of the Rayburn House Office Building.**

Over the past few weeks, the Committee on Small Business and its Subcommittees have held a series of hearings in conjunction with a report released by the Government Accountability Office (GAO) regarding deficiencies within the Small Business Administration (SBA). Some of the findings within this GAO report were built upon findings originally uncovered by the SBA’s Office of the Inspector General. At this hearing, Members will hear directly from the Inspector General regarding the most serious management and performance challenges facing the SBA today.

A staff briefing will be held at 2:00 P.M. on Monday, February 22, 2016, in Room 2360 of the Rayburn House Office Building.

If you or your staff has any questions, please contact Gregory Robinson, Counsel to the Committee, at 202-225-5821.
