The Committee on Small Business will meet for a hearing titled, *The FAA's Impact on Small Businesses in the General Aviation Industry*. The hearing is scheduled to begin at **1:00 P.M. on February 5, 2014 in Room 2360 of the Rayburn House Office Building**.

The Committee will meet to receive testimony from small businesses in the general aviation industry that will discuss the Federal Aviation Administration (FAA) regulatory framework in terms of its timeliness, flexibility, and relevancy to modern technologies used by the industry. The hearing will examine specific FAA policies and internal structures that are increasing the associated costs of participation in the general aviation industry, and the economic effects on that industry and businesses that rely on general aviation.

A staff briefing will be held on Monday, February 3, 2014 at 2:00 P.M. in Room 2360 of the Rayburn House Office Building.

If you or your staff has questions, please contact Joe Hartz with the Committee at 202-225-5821.
