11:00 A.M. 2360 Rayburn House Office Building

TO: Members, Committee on Small Business

FROM: Steve Chabot, Chairman

DATE: Wednesday, February 25, 2015

The Committee on Small Business will meet for a hearing titled, "Building an Opportunity Economy: The State of Small Business and Entrepreneurship." The hearing is scheduled to begin at **11:00 A.M. on March 4, 2015 in Room 2360 of the Rayburn House Office Building.**

The hearing will examine the health and vibrancy of the American economy, particularly as it pertains to the creation, sustainability, and future growth of small businesses. The hearing aims to set the stage for future debates within the Committee in an effort to narrow our focus to the most pertinent obstacles hindering growth, and to tackle the most egregious impediments to business formation, job creation, and economic growth, all of which contribute to lifting up American families.

A staff briefing will be held on Monday, March 2, 2015 at 2:00 P.M. in Room 2360 of the Rayburn House Office Building.
