NOTICE OF HEARING

July 11, 2012

1:00 P.M. 2360 Rayburn House Office Building

TO: Members, Committee on Small Business

FROM: Sam Graves, Chairman

DATE: Tuesday, July 3, 2012

The Committee on Small Business will meet for a hearing titled *Is FMCSA's CSA Program Driving Small Businesses Off the Road?* The hearing is scheduled to begin at **1:00 P.M. on July 11, 2012 in Room 2360 of the Rayburn House Office Building.**

The purpose of the hearing is to examine the Federal Motor Carrier Safety Administration's (FMCSA) Compliance, Safety, Accountability (CSA) program and its effects on small businesses. The CSA is the federal government's primary tool to regulate commercial motor vehicle safety. Since the initial implementation of the program in 2010, a number of small businesses in the highway commercial freight industry have identified a variety of issues that they believe call into question the overall accuracy of the program and create disparate effects on small businesses.

A staff briefing will be held on Monday, July 9, 2012 at 2:00 P.M. in Room 2360 of the Rayburn House Office Building.

If you or your staff has any questions, please call Mark Ratto or Viktoria Ziebarth with the Committee at 202-225-5821.
