The House Committee on Small Business will conduct a hearing entitled *Protecting Small Business Contracting: Leadership Challenges at Two Cabinet-Level Agencies*. The hearing is scheduled to begin at **1:00 P.M. on November 16<sup>th</sup>, 2011, in Room 2360 of the Rayburn House Office Building.**

The hearing will address the failure of the Departments Interior and Treasury to comply with Section 15(k) of the Small Business Act, and the consequences of that failure for small businesses. Section 15(k)(3) requires that the Director of the Office of Small and Disadvantaged Business Utilization “be responsible only to, and report directly to, the head of such agency or to the deputy of such head,” but the agencies in question have been found by the Government Accountability Office to not be in compliance. In early August 2011, Subcommittee Chairman Mick Mulvaney requested that these agencies explain the steps they were taking to bring themselves in compliance, but these agencies have yet to make needed changes. The Committee will hear from the Deputy Secretaries of the three aforementioned agencies.

A staff briefing will be held on Monday, November 14, 2011, at 2:00 p.m. in Room 2360 of the Rayburn House Office Building.
