

**Congress of the United States**  
**House of Representatives**  
**Washington, D.C. 20515**

November 12, 2024

The Honorable Isabel Guzman  
Administrator  
U.S. Small Business Administration  
409 Third Street, SW, Suite 7900  
Washington, DC 20416-2230

Dear Administrator Guzman:

As we begin preparation for a new Trump Administration and new Congress, we fully expect your cooperation in a smooth transition of power. To that end, it is imperative that during the transition you comply with all statutory record retention requirements, including but not limited to the Federal Records Act. In addition to compliance with federal record retention laws, we are also expressly directing that all necessary steps be taken to preserve relevant Department documents and communications.

During the 118th Congress, House Committees conducted robust oversight concerning the Biden-Harris Administration's disastrous border policies, tragic Afghanistan withdrawal, collusion with social media companies to suppress free speech, and weaponization of federal agencies against its political opponents, as well as the antisemitism at our nation's universities enabled by leading Democrats.<sup>1</sup>

In the waning days of this Congress, House Committees will continue to seek compliance with many of the subpoenas with which you largely declined to cooperate. Likewise, as the 119th Congress begins, the Committees may determine that it is necessary to reissue certain subpoenas as they continue with their oversight efforts.

Thank you in advance for your compliance with this request.

Sincerely,

---

Mike Johnson  
Speaker of the House

---

Steve Scalise  
Majority Leader
