The Committee on Small Business will meet for a hearing titled, "The Biggest Tax Problems for Small Businesses." The hearing is scheduled to begin at **1:00 P.M. on April 9, 2014 in Room 2360 of the Rayburn House Office Building.**

Small businesses face unique tax challenges, partly because studies have shown that it is more costly and time consuming for small firms to comply with the tax laws. But what are the specific tax problems that small companies are struggling with? The Committee will hear from small business experts and owners about the challenges they face complying with a complex, ever-changing tax code.

A staff briefing will be held on Monday, April 7, 2014 at 2:00 P.M. in Room 2360 of the Rayburn House Office Building.

If you or your staff has questions, please contact Jan Oliver with the Committee at 202-225-5821.
