TO: Members, Committee on Small Business

FROM: Nydia Velázquez, Chairwoman

DATE: Tuesday, July 13, 2021

The Committee on Small Business will hold a hybrid hearing titled: “Strengthening the Cybersecurity Posture of America’s Small Business Community.” The hearing is scheduled to begin at **10:00 A.M. on Tuesday, July 20, 2021 in Room 2360 of the Rayburn House Office Building**. Participating members can also join remotely via **Zoom**.

Small businesses are highly vulnerable to cybersecurity threats as employers, suppliers, and consumers in a modern digital economy. Many cannot afford dedicated Information Technology (IT) staff to navigate and mitigate risks and are wary of investments in pricey software. This hearing will provide members the opportunity to examine the many cybersecurity threats facing small businesses and identify available resources.

A staff briefing will be held at 2:00 P.M. on Monday, July 19, 2021 through Zoom.

If you or your staff have questions, please contact Delia Barr, Professional Staff Member for the Committee.
