Any Member wishing to submit an amendment for consideration should provide the amendment along with a 1-2 sentence factual description of the amendment no later than **Tuesday, September 15, 2020, at 10:30 A.M. (EDT)** to the attention of Lauren Finks, Committee Clerk (Lauren.Finks@mail.house.gov). Members are encouraged to work with Legislative Counsel and Committee staff in drafting their amendments. While Members may file amendments, in writing, at any time prior to or during the markup, the Chair prefers that amendments be prefiled. This will enable all Members to have sufficient time to review the amendments.

Due to social distancing guidelines, amendments filed after the deadline or during the markup must be **filed electronically** at SBCDocuments@mail.house.gov.

Please be aware that:

- Amendments filed prior to 10:30 A.M. on September 15, 2020 will be given priority consideration at the markup
- The Chairwoman may refuse a unanimous consent request to consider the amendment as read if it is not filed before the 10:30 A.M. deadline on September 15, 2020
- Amendments filed after the deadline may not be distributed to Members until the markup
- Amendments drafted and offered after the commencement of the markup may necessitate the Chair recessing the markup to enable Committee staff to copy and distribute such amendments
- All amendments must be in writing

Members planning to participate in-person or remotely should **RSVP to Lauren Finks at Lauren.Finks@mail.house.gov by Monday, September 14, 2020 at 5:00 p.m. (EDT)**.

We will be following the most recent guidance from the Office of the Sergeant at Arms and the Attending Physician for all Members attending in-person. Please note guidance item 3.2.1, which states that face coverings are required for meetings in a committee hearing room that are longer than 15 minutes.

Face coverings will be provided by the Committee to individuals who do not have their own. Waterless hand cleanser should be used on entry and exit. Seating arrangements in accordance with social distancing guidelines and contact surface cleaning procedures will be facilitated by Committee staff.

A staff briefing will be held at 4:00 P.M. on Monday, September 14, 2020 in Cisco WebEx.
